10-Day Notice—By-Law Revision

At the National Convention held in July this summer Resolution 2021-08 was passed by those present. This resolution added Section 17.052 to the Annotated Statutes/Laws of the Order which read as follows:

Section 17.052. Each Lodge shall enact and have in force a House Rule prohibiting the over service of alcohol as defined by local law or ordinance.

Grand Lodge Judiciary has now proposed language for Lodges to use in the House Rule and we'll be voting on it at the meeting on March 8, 2022.

"It shall be a violation of these House Rules to accept, serve or provide an alcoholic beverage by or to any individual when such individual is exhibiting signs of being intoxicated."
